Welcome

TIRUPATI GROUP OF INSTITUTIONS

“No program of action can succeed unless it has a vision, will, with all infrastructural facilities and other quality inputs to transcribe its objectives into reality”

OUR VISION

Tirupati Group of Institutions, Ratia has the vision, the will and the Infrastructural facilities and other quality inputs to transcribe its dreams into reality. Tirupati Group of Institutions with all its conviction, sharpen the analytical skill and gain endurance to face the complex reality of life with a view to acquire the top position for the students. To strive for excellence in education, research and technology we mould our students into rational thinkers, competent workers, responsible and socially aware citizens of the Nation. To inculcate the feeling of dedication, devotion and determination among students and other stake holders towards their profession.

OUR MISSION

To provide excellence in the field of Higher/School Education, Engineering, Pharmacy, Medical Sciences and health care services, to develop the competent skilled persons for making them useful contributors of the society.

To inculcate discipline, loyalty and moral values among the students of institute and to equip them with technical knowledge, helping them to be self employed or well placed in different industries.

Tirupati Group of Institutions seeks to be exceptional in what it does and is now in a position to develop new initiatives, to face the immediate and the future challenges with a focused sense of commitment to its mission & to consolidate its International reputation.

The Institute will achieve its mission through optimum utilization of its financial and intellectual resources by reacting positively to its diverse student community in a professional environment involving both faculty and students.

FOUNDER'S VISION

LATE SH. MOHAN LAL GOYAL

Founder

(Tirupati Group of Institutions)

“ EDUCATION is the MOST POWERFUL WEAPON which you can use to CHANGE THE WORLD ”

स्वर्गीय श्री मोहन लाल गोयल जी की परिकल्पना तिरुपति ग्रुप ऑफ इनस्टिट्यूशन, रतिया (फतेहाबाद) हरियाणा के रूप में रतिया की पावन भूमि पर खुशहाल हो रही है। अपने सम्पूर्ण जीवन के दौरान वह यह धारणा रखते थे, कि शिक्षा किसी भी देश के लिए एक वाहन का कार्य करती है! जो कि राष्ट्र को सही दिशा में ले जाती है। वह हमेशा सोचते थे कि समाज में पथप्रदर्शक कदम उठाने की आवश्यकता है! और स्वर्गीय श्री मोहन लाल गोयल जी के पवित्र हाथों से हरियाणा राज्य में एक परिवर्तनवादी कदम तिरुपति ग्रुप ऑफ इनस्टिट्यूशन, रतिया, फतेहाबाद की स्थापना के रूप में अक्टूबर 2002 में की गई। वह हमेशा विश्वास करते थे कि श्रेष्ठता कभी भी एक घटना नहीं होती यह हमेशा उच्च इरादों, ईमानदारी, काम के प्रति समर्पण, गम्भीर प्रयास, कुशल निर्वाह व कुशल अगुवाई का परिणाम है। उनके विवेकपूर्ण ये शब्द तिरुपति ग्रुप ऑफ इनस्टिट्यूशन, रतिया, फतेहाबाद की वर्तमान दशा को सही तरह से वर्णित करते हैं। तिरुपति एजुकेशनल सोसायटी, रतिया, फतेहाबाद की स्थापना उच्च शिक्षा की बढ़ती जरूरतों को पूरा करने और सभी समुदायों के लिए सुधारात्मक शिक्षा प्रदान करने के लिए रतिया की पवित्र मिट्टी पर की गई।

उनकी तीव्र इच्छा एक ऐसी संस्था का निर्माण करना थी जहां मानव मूल्यों के सभी रंगों की मिश्रित शिक्षा दी जा सकें! और आज हम गर्व महसूस करते हैं कि उनका यह सपना एक प्रगतिशील संस्थान के रूप में आकार ले रहा है। उनकी छत्रछाया में यह संस्था शिक्षा के प्रसार के साथ-साथ समाज में सक्रिय रूप से स्वास्थ्य शिविरों, रक्तदान शिविरों, निर्धन छात्रों को पुस्तक वितरण, वृक्षारोपण, सामुदायिक सेवाओं और आर्थिक रूप से पिछड़े विद्यार्थियों की मदद जैसे अनेक मानवीय कार्य कर रही है। ईश्वर की कृपा से, सभी शुभचिंतकों के सहयोग व स्वर्गीय श्री मोहन लाल गोयल जी के अथक प्रयासों से यह छोटा सा लगाया हुआ पौधा आज एक बड़े वट वृक्ष के रूप में पोषित हो रहा है।

जैसा कि आपने सिखाया हम सभी मानते हैं! कि प्रत्येक बच्चा उच्च गुणवत्ता की शिक्षा प्राप्त करने का पात्र है! और शैक्षणिक अवसर एक बुनियादी मानव अधिकार है। इन बातों पर ध्यान दिए बिना, कि बच्चों का जन्म स्थान कहाँ है, उसके माता-पिता कौन है, उसका रंग-रूप कैसा है, वह देख या सुन सकता है या नहीं, वह एक हवेली में रहता है या आश्रय में सोता है! प्रत्येक बच्चा एक उच्च गुणवत्ता की शिक्षा का पात्र है। पर्याप्त शैक्षिक अवसर प्रदान करना सबके मौलिक दायित्वों में से एक है! और प्रत्येक पीढ़ी इनका पालन करने के लिए वचनबद्ध है।

हम सभी कार्यालय के पदाधिकारी, प्रबंधन समिति के सदस्य और संस्थान के शिक्षक यह शपथ लेते हैं कि हमारा संस्थान विद्यार्थियों को सीखने, जीने व मिलकर कार्य करने के अवसर प्रदान करके छात्रों के सर्वांगीण विकास में योगदान करेंगे! ताकि वे एक आदर्श नागरिक बन सकें! जिसकी कल्पना आपके द्वारा की गई थी! और हम सभी आपको विश्वास दिलाते हैं कि हम हमेशा आपके द्वारा दिखाए गए मार्ग का अनुसरण करने की कोशिश करेंगे।

प्रबंधक सदस्य और शिक्षक-गण

**“ No matter WHO YOU ARE, no matter WHAT YOU DID,
no matter WHERE YOU'VE COME FROM, you can ALWAYS CHANGE, become
a BETTER VERSION OF YOURSELF ”**

The term '**EDUCATION**' encompasses more than just knowledge and knowing. It is a harmonious blend of academia, arts, sports, attitudes, creativity, emotions, nature and life itself, and in the world we have built today, the one who is adept in all these areas is the one who succeeds. OUR GOAL is to change the world through education. It may sound idealistic, but this is precisely our MISSION. It is what motivates the work of everyone at Tirupati Group of Institutions (TGI) - from faculty to students and alumni, to our partners and well wishers. TGI with the said philosophy begin its BORNE VOYAGE IN THE OCEAN OF ACADEMICS with only 160 students in the year 2006-07 but with the untiring attempts of our staff, constant support of parents and zealous performance of our students this small beginning became big and touched the pinnacle of success. Today TGI is one of the fastest growing group of Institutions of North India and because of high standards it has set for itself in providing excellent education it won National Education Excellence Award 2016, 2017 & 2018 in three consecutive years.

The creation of TGI comes as a part of our VISION, the other closely related aspect of it is to make the institute deliver the types and the quality of services you need so that you get benefited too from this vision. Beyond providing a round education, we wish to provide our students a holistic learning experience for life. Our aim is to teach students to LEARN, not just STUDY, we have realized that the future is abstract and unknown but the youth in our hands are real and can be moulded. It is our ENDEAVOUR not only to make you QUALIFIED and COMPETENT PROFESSIONAL but also ensure education to be holistic in order to make you better human being, prepared for a nature life and make you aware of your responsibilities to the society. You are assured that you will be proud of yourself as a confident and successful after years at TGI.

I give all my blessings to the staff, students, parents and all those associated with this Institution. I pray that GOD, in his divine benevolence, continues to lead and guide this prestigious Institution for generations to come. Together, we will LEARN TO CHANGE THE WORLD.

**“ We cannot always BUILD the FUTURE FOR YOUTH,
 but we can BUILD OUR YOUTH for the FUTURE ”**

These words by Franklin D. Roosevelt utterly describe our aim at Tirupati Group of Institutions (TGI). In a globalized, market driven and interconnected world, both individuals and institutions are attempting to make a cultural impact. The need of the hour is to produce men and women who are **VISIONARY, DYNAMIC and INNOVATIVE**. There is no better way to pay back to the society than providing the most desired and important infrastructure in the form of modern education. Here at TGI we aim at the uplift of urban and rural youth driven by relentless quest to excel. TGI proclaims a powerful vision for the future of young people and has a deep understanding of responsibility to help shape their lives. We aim to unearth every student's talent and provide opportunities which will enable them to discover something excited and enthusiastic for them by which learning and buoyancy are always at par with each other.

We encourage independent thinking that helps students in developing holistic perception, strong domain knowledge, contemporary skill sets and positive attitude. We are confident that in the years to come we shall equip our students with not only the basic knowledge of their concerned discipline but also a deep insight into it, so that they can stand on their own and achieve perfection in the careers of their choice. The endeavors on the part of management are to provide the best in terms of knowledge, infrastructure and environment. I invite you to be a part of our institution to shape your future and to gain from our state of the art facilities and teaching methods which help to build a great career. Our committed faculty and excellent facilities will ensure that you embark on a global career leaving a blazing trail of success.

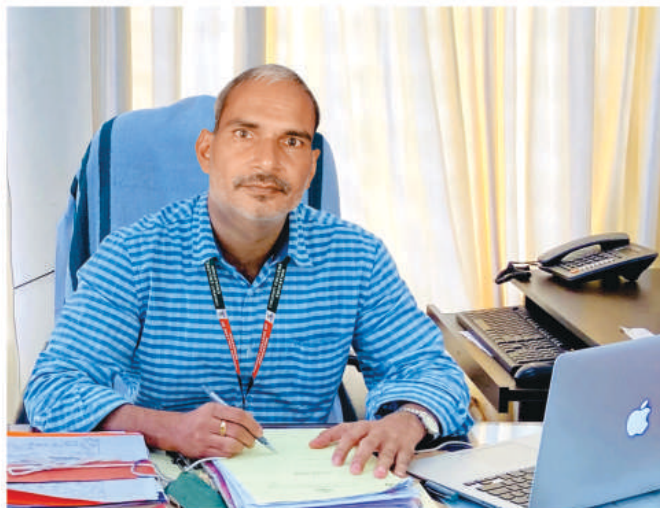

I wish you all the best for your years of hope and fulfillment that lies ahead of you, waiting to be grabbed.

PRINCIPAL'S Desk

Dear Students and Parents,

Tirupati College of Education - an institution with quality education in quality ambience. Discerning the loud clamor of society for quality education and exposure to young hearts, institution has proved its worth as the hallmark of excellence in both academic and co-curricular activities that form the backbone of any esteemed educational institution. Incarnation of compassion among students, the institution has provided convivial environment to its jewels to thrive confidently and learn incessantly.

Education is best asset of a nation and Tirupati College of Education is an endeavor to produce a complete teacher not only by enabling them to get a degree but also to inculcate the ability to think creatively and to possess good communication skills. Joining our institution will expand your horizons; make a remarkable difference in your personality and enhance your career opportunities. We inculcate self confidence in our students to make them aware of their rightful place along with their moral duties towards society, so that they can make a meaningful contribution in shaping better India.

PRINCIPAL'S Desk

Dear Students and Parents,

In the wake of changing scientific, political, social and economical scenario in the modern world, technical education has assumed a great significance. Now acquisition of mere bookish knowledge is not sufficient for the students, however we have to equip them with all the necessary latest knowledge and skills so that they can cope with new challenges and problems. In order to achieve this goal the institute is making use of all the resources and techniques.

Tirupati College of Polytechnic & Pharmacy aims for providing you with a distinctive combination of academic excellence and professional relevance, a combination designed to provide a foundation for professional and personality development. I know that what matter most to you is overall quality of life and I assure that you will enjoy your years at the TCPP and so this prospectus offers you not a range of high quality courses, but also a snap-shot of a community, which is professional, caring and exciting. TCPP believes in building futures for its students.

Principal
Tirupati College of Polytechnic and Pharmacy
Ratia (Fatehabad) HARYANA

“ Hope we shall meet in **Ratia** and look forward welcoming you at **Campus** for this **important stage** of your **education and life** ”

message from **HOD** Desk

MS. KUMUD BANSAL

HOD, Dept. of Pharmacy

I welcome you to the world of pharmacy and contribute to the well being of the society. We 'The Pharmacist' promote health not medicines. The aim of our department is to serve as a platform for all pharmacy students to explore their absolute potential. It is our endeavor to encourage our students to involve in all type of activities, just to enable them to stay abreast with global demand.

MS. BHARTI

HOD, Dept. of Pharmacy

Current and forthcoming era will now dictate a balanced and dynamic pool of intellectual resources who can demonstrate exceptional skills, attitudes and expertise which can be accepted open hands by the industry. Whatever may be our dreams and aspirations, the aim always is to provide quality education.

MR. AMIT KUMAR

HOD, Dept. of Education

The professional and technical education structure today has gained momentum in light of the global economic transformations, which in the case of a professional institute would mean a system that effectively and sensibly combines theory and practice in order to ensure both rigor as well as relevance.

MS. SARITA GOYAL

HOD, Dept. of Education

Gaining knowledge alone is not Education, but it is that what makes us better human beings and so determines the future of our country. We have stepped and crossed several milestones and It is a matter of pride that TGI act as lamp in the State of Haryana for creating quality wise productive teacher and its honor for me to say that I am a part of TGI.

SH. N.D. MONGA

HOD, Dept. of Engineering

I welcome you here at TGI with the fervent hope that your stay will be comfortable and when you finally step out in technical world, you will inculcate human value in society as a perfect and dynamic engineer.

MR. BHUPINDER SINGH

HOD, Dept. of Engineering

People look at the professional colleges from multiple perspectives and it appears that some college may be better in one attribute while the other college may be in another. Whatever may be the individual goals and aspirations, the bottom line always is quality education.

"WE ARE HERE BY CHOICE NOT BY CHANCE"

ABOUT US

The ethics of our institutions is expressed in few words written above and is self illuminating, the institutions work on the visualization that "We may never have the opportunity to do great things in a great way, but we all have the chance to do small things in a great way". The changing scenario of education has enhanced the enormity and importance of the task of college to educate the students such that it gives direction and perspective to their thoughts. The onus of inculcating scruples in the dynamic world where ethics have slipped into oblivion owing to Globalization, Liberalization and Westernization rests with educational institutions. It is sobering responsibility of an educational institution to train, develop the knowledge, mind and character of the students.

To keep pace with latest changes in the education in the modern world Tirupati Educational Society® Ratia (Fatehabad) Haryana has started Tirupati College of Education, Ratia and Tirupati College of Pharmacy, Ratia in the year 2006 with Bachelor of Education and Diploma in Pharmacy programme respectively.

The former institute is Accredited with "B Grade, CGPA 2.81" by National Assessment and Accreditation Council (NAAC), Bangalore and the later one is Accredited by International Accreditation Organization (IAO), Houston, USA. The additional 100 seats in Bachelor of Education and new program i.e., Diploma in Education has been introduced from Academic Session 2008-2009 under Tirupati College of Education, Ratia, whereas in the same academic session Diploma in Engineering viz., Civil Engineering and Mechanical Engineering has been introduced in Tirupati College of Pharmacy, Ratia. The name of institute has been changed from "Tirupati College of Pharmacy, Ratia" to "Tirupati College of Polytechnic and Pharmacy, Ratia" to give due reflection for an engineering branches.

From the very beginning Tirupati Group of Institutions had an idea and interest to create and believe in the philosophy of student-centered learning and teaching methodology, thereby emphasizing the importance of our unique formula for a successful learning i.e., teacher supervised learning and teacher-independent learning.

Accredited with "B Grade, CGPA 2.81" by National Assessment & Accreditation Council (NAAC), Bangalore

**Pollution Free
lush green campus of
more than 10 acres**

**Accredited by
International Accreditation
Organization (IAO),
Houston, USA**

Tirupati Group of Institutions in the service of qualitative & technical education; stands fully prepared today to meet challenges of changing times. The college provides all possible avenues to the students for having rich learning experiences by providing them active learning environment. The wide array of infrastructure facilities in the college has enabled it to cultivate a passion in students for learning by developing their creativity and insight. Tirupati Group of Institutions is well-equipped with dedicating educators, instructional and infrastructural facilities; that students need to make learning a happy & useful experience which help them to discover innate capabilities, set lifelong goals and proactively work towards their fulfillment. Tirupati Group of Institutions is located in pollution free lush green campus of more than 10 acres. Building is designed and developed with the objectives of providing aesthetic and learning atmosphere to the students, the library of the institute is enriched with more than 20,000 Books and 32 National and International Journals, Magazines and Periodicals.

All the laboratories such as Pharmaceutics, Pharmaceutical Chemistry, Pharmacology, Pharmacognosy, Communication Skill, Applied Mechanics, Strength of Material, Thermodynamics, Fluid Mechanics, Surveying, Communication Engineering, Automobile, Psychology, Work Experience, ICT, Language, Chalk Board Writing, Computer and many more in the list are well equipped with modern technology, equipments, machinery and apparatus.

The Seminar/Multipurpose and lecture halls provide luxurious atmosphere to the students that is perfect for effective learning.

Since inception, institute has well qualified, sincere, dedicated and hard-working faculty members that are involved to impart value education and positive attitude among the students to make them better citizens of the Nation. Tirupati Group of Institutions helps its students to discover new experiences in dynamic and supportive environment & also it equips them to handle the threats and opportunities to evolving and emerging technologies that would become the order of the day in the years to come. Group believes in producing quality manpower, equipped with human and social values required to integrate excellent technical skill, social character, leadership, creativity and innovation for the benefit of mankind and sustainable development of India and to promote research in the emerging disciplines. Institute also provides the other facilities like; Transport, Medical, Co-curricular, Sports, Hostel, 24 hours power back-up system, water harvesting system etc.

The institution thrives on a unique blend of retaining traditional values & incorporating advancement as well as creating a consciousness about rights and duties towards the Nation. Tirupati Group of Institutions has grown and evolved into an institution of repute and standing among the premier institutions of the region. Today it has been recognized as center for excellence in professional courses, and where excellence is tradition, that has moulded itself as well as its students according to the fast changing environment and has attained an enviable position in Haryana. Tirupati Group of Institutions is the place for those students who shall be pioneer, for those who shall experiment with cutting edge of contemporary thought & creative expression, for those shall dare to give shape their aspiration & cherished dreams.

COURSES OFFERED

Tirupati Group of Institutes offers Master in Education (M.Ed.), Bachelor of Education (B.Ed.), Diploma in Education (D.Ed.), Diploma in Pharmacy and Diploma in Engineering viz., Civil Engineering and Mechanical Engineering Courses.

Tirupati College of Education

Ratia (Fatehabad) Haryana

Approved by Govt. of Haryana, Recognized by NCTE, Jaipur/New Delhi., Affiliated with Chaudhary Devi Lal University, Sirsa., S.C.E.R.T. Gurugram., H.B.S.E., Bhiwani.

Accredited with "B Grade CGPA-2.81"

by National Assessment and Accreditation Council, Bangalore.

- **Master in Education** is opportunity for those students who have passed B.Ed. examination and desirous to become assistant professors in the Teacher Education Institutions.

Candidates seeking admission in M.Ed. programme should have obtained at least 50% Marks or an equivalent grade in B.Ed. or B.A. B.Ed. or B.Sc.-B.Ed. or B.El.Ed or D.El.Ed with an undergraduate degree (with 50% marks in each). Relaxation in minimum eligibility condition will be given to SC/ST of Haryana state and persons with disabilities and all India candidates as per university rules. The institutes offer 50 seats in the program, duration, of which is two years.

- **Diploma in Education** course is opportunity for those students who have passed 10 +2/intermediate examination and desirous to become a competent teacher in primary educational institutions.

The admission is done through state level centralized counseling by SCERT, Gurgaon on behalf of Govt. of Haryana. The institution offers 50 seats in this programme, duration of which is two years.

» MASTER IN EDUCATION

Eligibility: 50% Marks or an equivalent grade in B.Ed. or B.A. B.Ed. or B.Sc.-B.Ed. or B.El.Ed or D.El.Ed with an undergraduate degree (with 50% marks in each)
Duration: 02 Years

» DIPLOMA IN PHARMACY

Eligibility: 10+2 (Medical/Non-Medical)
Duration: 02 years

» BACHELOR OF EDUCATION

Eligibility: Grad./Post Grad. with 50% marks
Duration: 02 years

» DIPLOMA IN CIVIL ENGG.

Eligibility: Matric
Duration: 03 years

» DIPLOMA IN ENGINEERING (LATERAL ENTRY)

in (Civil and Mechanical Engineering)
Eligibility: 10+2 (Vocational of Non-Medical) I.T.I.
Duration: 02 years

» DIPLOMA IN EDUCATION

Eligibility: 10+2 any Stream
Duration: 02 years

» DIPLOMA IN MECHANICAL ENGG.

Eligibility: Matric
Duration: 03 years

Relaxation in minimum eligibility condition will be given to SC/ST of Haryana state & persons with disabilities of all India candidates as per university rules.

Tirupati College of Polytechnic & Pharmacy Ratia (Fatehabad) Haryana

Approved by Department of Technical Education, Panchkula., Govt. of Haryana, Recognized by A.I.C.T.E., New Delhi., Pharmacy Council of India, New Delhi., Affiliated with Haryana State Board of Technical Education, Panchkula

Accredited with INTERNATIONAL ACCREDITATION ORGANIZATION HOUSTON, USA

- Diploma in Engineering course is aperture corridor for those students who have passed their 10th/Matric examination from any recognized board of India/Abroad. The institute offers Diploma in Civil Engineering and Diploma in Mechanical Engineering with intake of 60 seats in each stream. Out of each unit of 60 seats the 75 % of seats i.e., 45 seats shall be filled by the Haryana State Technical Education Society, Panchkula on behalf of Govt. of Haryana as per inter-se-merit of Diploma Entrance Test (DET) examination & remaining 25 % seats of each unit i.e., 15 seats shall be filled by the institution at its own level. The duration of these courses is three years.

- Diploma in Engineering (Lateral Entry) course is opening passage for those students who have passed their 10+2/Intermediate examination with Physics, Chemistry and Mathematics or I.T.I. in any stream or 10+2 vocational from any recognized board of India or abroad. The institute offers lateral entry admissions in Diploma in Civil Engineering and Diploma in Mechanical Engineering with intake capacity of 12 seats in each stream. Out of each unit of 12 seats in each stream the 75 % of seats shall be filled by the Haryana State Technical Education Society, Panchkula on behalf of Govt. of Haryana as per inter-se-merit of Diploma Entrance Test for Lateral Entry (DET-L) examination and the remaining 25 % of seats of each unit seats shall be filled by the institution at its own level. The duration of these courses is two years.

The reservation/scholarship/fee policy in all the courses shall be applicable as per the State Govt./Central Govt./AICTE New Delhi/PCI New Delhi/HSBTE Panchkula.

- Diploma in Pharmacy course is opening track for those students who had passed their 10+2 examination with Physics, Chemistry and Mathematics or Biology or any other qualification as approved by Pharmacy Council of India, New Delhi. The institute offers 60 seats in this programme out of which the 75 % of seats i.e., 45 seats shall be filled by Haryana State Technical Education Society, Panchkula on behalf of Govt. of Haryana as per inter-se-merit of the applicant (for further information contact: www.tirupatiedu.org, www.tehadmissions.gov.in, www.hstes.in, www.techeduhrynic.in and www.hstes.org.in) and remaining 25 % of seats i.e., 15 seats shall be filled by the institute at its own level. The duration of the course is two years.

Tirupati Group of Institutions, Ratia

Believe in words said by Albert Einstein that "THE VALUE of a college education is not the learning of many facts, but the TRAINING OF THE MIND TO THINK"..... Tirupati Group of Institutions, Ratia provides large variety of learning and training environments and spaces for different minds to think.....

Infrastructural FACILITIES AT A GLANCE

The college has developed well equipped laboratories / library / seminar halls / lecture halls etc. in response to changing demands of different curricular areas and other teaching learning resources. The college has a clear cut policy for regular enrichment and modernization of resource centre/laboratories.

LANGUAGE/ COMMUNICATION SKILL RESOURCE CENTRE

Communication is a vehicle of expression. A language/ communication skill resource centre helps the students to enrich their vocabulary, expression, speaking ability, pronunciation, self examination and the students are able to learn the language enthusiastically & acquire fluency in spoken English / Hindi / Punjabi etc.

It is very recent innovation in the teaching of languages and Tirupati Group of Institutions has well equipped language / communication skill lab with micro/head phones, LCD projectors, computer systems, CD ROMs which are used to build confidence in its students and to improve their communication skills.

Long-ago..... 70 years computing instigate with the inquisitiveness of a few scientists. It has flourished into a discipline that has changed the planet after gratitude.

ICT RESOURCE CENTER

Information and communication technology resource centre deals with the usage of tools and techniques to enhance the effectiveness of teaching learning process. The objectives of ICT lab is developing competency among prospective teachers/ students in use of off-line/on-line electronic resources. Our ICT lab has a network of computers with broad-band internet facility along with OHP/LCD/ Slide Projectors, TV, DVD Player, public address system for training and creating awareness among prospective teachers/students about ICT and its use in teaching-learning.

PSYCHOLOGY RESOURCE CENTRE

Teacher should not only understand students but also be aware of their expectations, potentialities and inclinations. Teacher educator shall focus on practical work which shall enable the pupil-teacher to understand real-life application of concepts. In order to meet these requirements psychology resource centre has sufficient psychological apparatus, tests, transparencies which are related to various aspects of human development and teaching learning process.

Concrete Technology and Construction Material Lab

These labs are used by the civil engineers to get knowledge about different type of ingredients i.e. cements, sand, fine and coarse aggregate to find the compressive strength, workability, durability of concrete, flakiness and elongation index of coarse aggregates, specific gravity and bulk density, water absorption and soundness of cement etc. so that they shall be able to handle these criterion in their professional life.

Automobile Engineering Lab

The automobile engineering lab is used by the students of mechanical engineering: the steering mechanism, differential mechanism, front & rear axle, carburetor, transmission system, brake system, clutch system and also hydraulic & mechanic jack. The different marketed machine like four stroke petrol/diesel engine and two stroke petrol/diesel engines are used by the students to acquire practical knowledge.

Pharmaceutics and Pharmacy Practice Lab

Knowledge alone does not help in securing success, the students must have the capacity to articulate and present their view points effectively. In this lab the various equipments such as disintegrator and dissolution test apparatus etc. are used to check the availability of drug particles in solution state from the marketed dosage form to further measure the onset and duration of action in the human body. The various other apparatus are used to get the practical knowledge regarding preparation and analysis of various dosage forms, that helps the students to work in the pharmaceutical industry as analytical and manufacturing chemist.

Pharmacology Lab

The various apparatus like photoactometer, analgesiometer, convulsometer, histamine chamber, double unit organ bath etc. are used to demonstrate the activities of various animals like rats, mouse and guinea pig for in-vitro & in-vivo study. Further various computer software's such as Chemdraw, Chemscren, Heart, IJP CALcd (G), ISIS Draw 2.3 and Plot area etc. are used by the students in the computer centre to study the effect of various drugs on the isolated organ or animals.

Library

The library and learning resource centre play a crucial role in supporting teaching and learning activities. To inculcate the ability in the students to think distinctly and critically, it is incumbent upon all of us to instill reading habits in them. Reading not only helps to gather novel ideas but also develops effective basic study and writing skills. To this cause college library has been enriched with a trove of books vital for flexibility of mind and Multi-dimensional thinking of students. Tirupati Group of Institutions has built up a very good collection of more than 20000 books and 32 National and International journals, magazines and periodicals. It also subscribes more than 06 numbers of daily newspapers in Hindi/English and Punjabi. Further library is also enriched with latest addition of number of dictionaries, thesaurus and encyclopedias and manuals etc.

Library also provides book bank facility. Books from the book bank shall be given free of cost to the needy and poor students as per the norms of institution.

General Rules of Library

- All the time complete silence must be observed in the library.
- Students are required to stand in a queue, while returning or getting the books issued.
- Use of mobile phone is prohibited in the library premises.
- Maximum six books are issued to a student & ten books to staff member as per the norms.
- Taking books out of the library without authorization, marking or underlining, disfiguring the books or damaging the library books/property may lead to fine as per the rules of library.
- A member of the library who loses the library card shall make a written report to the librarian.
- The members have to keep their belongings at the property counter near the entrance and exit point of the library.
- Violations of these rules or indiscipline behavior in the library will lead to cancellation of membership and disciplinary action.

Computer Centre

In the Internet age, the computer centre is at the heart of the teaching-learning process. It should be comprised of the best and latest technology available, so that students have hands on experience of state-of-the-art systems. The air conditioned computer centre with more than 80 machines of latest configuration and network infrastructure provides a number of services to the students and faculty.

We provide extensive global exposure to our students through broad-band internet connection. The computer centre has enabled our students to complete industry oriented projects from companies. The various software's such as Auto cad, Primavera and Civil-Pro in computer centre are used by civil and mechanical engineers to develop various design of the building in two & three dimensional view.

Machine Room and Museum

The Institute has developed its own machine room and museum for diploma in pharmacy students to aware them about various new machines, models, new marketed dosage forms, various surgical instruments, and various types of packaging available in the market. All marketed preparations and crude drugs from the plant and animal origin are displayed in showcase so that students can easily learn about them. Single punch tablet machine, tablet coating pan, ampoule/ointment filling and sealing machine, ampoule washing machine, aseptic cabinet, tablet counter, capsule filling & sealing machine, distillation assembly, dissolution, disintegration, friability test apparatus, ampoule clarity test apparatus etc. have been installed in machine room to transfer the practical and operational knowledge to the students.

WORKSHOPS AT A GLANCE

WORKSHOP is the **CORE OF LEARNING** about different Materials, Equipment, Tools and Manufacturing Practices that are observed in different **MANUFACTURING FUNCTIONS & OPERATIONS** and is of prime importance when you want to **GATHER THE PRACTICAL KNOWLEDGE.....**

Forging & Sheet Metal Shop

The forging and sheet metal shop deals with the molding of metal into the required shapes and sizes by heating it in the blower furnace and by the use of anvil and swage block. The shop is used to perform the various practicals on metal pieces.

Drilling Shop

In this workshop the various machines such as radial drilling machine, manual drilling machine, drill set are used by the students for many operations such as drilling, boring, holing, tapering reaming counter shrinking and counter boring.

Welding Shop

Arc welding, gas welding, MIG, TIG Welding machines are used by students to make the various jobs related with the welding.

Turning Shop

In this workshop the various operations such as about turning, facing, drilling, boring, threading, chamfering, knurling etc. are performed with the help of various semi and fully automatic lathe machines and its accessories.

ASSOCIATION OF SELF FINANCED COLLEGES OF EDUCATION, HARYANA

WELCOMES YOU TO THE ANNUAL MEETING OF THE ASSOCIATION OF SELF FINANCED COLLEGES OF EDUCATION, HARYANA

Parvinder Singh
President

Vinod Bansal
Gen. Secretary

Games & Sports Activities

Physical Education has been considered as an essential part of human life from time immemorial. Health and Physical Education is not simply content comprising of desired change in knowledge, attitudes and practices, it is also processes that empower people and develop a capability of self health care. With these objectives our health and physical resource center has sufficient equipments, allied materials and accessories to promote healthy and competitive spirit that enable the students to face challenges in actual life.

The annual sports festival includes different activities such as athletics, volleyball, football, badminton, cricket, Kho-Kho, Disc throw, Javelin, Short Put etc. whereas among indoor games includes chess, carom & table tennis etc. competitions are organized, which not only aims at physical fitness but also contributing towards the healthy all round personality development of students.

Literary, Cultural & Co-Curricular Activities

Cultural and co-curricular activities are indispensable parts of academic life; students are encouraged to participate in Cultural and co-curricular activities like group discussion, quiz, dramas, dance etc. to inculcate a sense of fairness, discipline and enterprise among themselves. It also provides opportunity to the students to cultivate and demonstrate their talents in various sports, games and art forms. A healthy intermingling is brought by organizing various events such as oath taking ceremony, cultural festivals, fresher's party, get together, annual function, pharmacy week celebration, farewell parties, education and industrial tours etc. that plays a vital role towards personality development and the students also learn to forge lasting friendships that extend much beyond their students' life.

Morning Assembly

An assembly is when students meet together to share aspects of life that are of worth. The college starts its morning with prayers and Gayatri Mantra. The morning assembly is conducted by the students in rotations and that follows short talks on various topics like; punctuality, manners, values and current issues of national & international importance.

Talent Search Programme

The college assesses the knowledge expression skills of new entrants through talent search programme for unfolding the hidden talent of students. To encourage hard work and appreciate students for their commendable performance in University/ Board examination, co-curricular and cultural activities, the college announces the cash prize, mementos and appreciation certificates to them.

Celebration of Festivals

Festival gives us joy, happiness & enthusiasm. The college celebrates different occasions with great fervor, the students are clued-up about the importance of festivals and teacher motivates the students to participate in these festivals with great enthusiasm. Every year college celebrates New Year Eve, Lohri, Holi, Republic day, Makar Skranti, Independence Day, Gandhi Jayanti, Dipawali, Christmas & many more in the list.

NSS

The motto of NSS is "Not Me But You". This expresses the democratic living and upholds the need for self services. NSS unit of our college is actively involved in organizing various activities to develop their personality and to nurture social responsibility among youth.

Industrial & Entertainment Tours

College tour programs are organized to different historical & charming nature places such as Amritsar, Delhi, Dalhousie, Mussorie, Shimla etc that make the students to learn & apply some valuable life time lessons. These tours are organized as the part of the overall development of students.

Participation in Inter College Competitions/National Seminars

The Students participate regularly in inter departmental activities and national seminars. Students are motivated to take part in inter college and inter department activities by providing incentives in the form of prize, cash or certificate etc. Conveyance facility and refreshment are also taken care of during this time.

Alumni Association

Tirupati College of Education and Tirupati College of Polytechnic & Pharmacy Alumni association keeps you in touch with the friends and plays a key role in the development of relationship between them beyond the institution. The association is aimed to organize reunion of your class, TCE & TCPP provide contact with the institute long after your course.

Placement Cell

Like other career path, the entry into the course of diploma and pharmacy entails you to possess certain basic traits.

You must also have skills such as a critical twist of mind, logical reasoning and problem solving.

The Placement Cell is dedicated to advising students on career options and providing the latest information on summer training opportunities and employment vacancies. Being an integral part of the 'Counselling Services', the placement cell in addition to individual counseling, organise seminars and group sessions covering career choices, interview skill, group discussion skills preparing & drafting job application.

A major thrust of the Placement Services is constantly liaison with the business and industries to update prospective employers of the skill levels of the students and secure commitments for campus placements. The TCPP assists students securing positions among leading national corporations as well as providing contacts for jobs or higher education.

“ In addition to provide up-to-date career information, employment trends, salary statistics developing, job search techniques, coordinating on-campus recruitment, the placement cell shall maintain list of part-time jobs & summer/ vacation employment opportunities in order to encourage investigation and comparisons of the relationship between theoretical concepts and organizational practice ”
